25X1

1. The Erfurt-Bindersleben (N 53/J 26) airfield was unoccupied on 14 September 1950. (1) All hangars and buildings on the southern edge of the field were destroyed. Civilians were quartered in the intact dwelling houses on the southeastern edge. The landing field was serviceable and the circular taxiway and some short runways were intact. (2)

2. Local residents said that the field had been occupied by the Soviet Air Force some time before and the personnel had been quartered in tents at the area of the field.
